

## Hayle OCS on the Up

We are delighted to hear from Ivor Corkell that Hayle OCS is going from strength to strength. Under the guidance of its President, Trevor Smitheram, membership has increased from just nine to somewhere in the mid-thirties. At a time when some Societies have been struggling to maintain numbers, this is superb news and shows what can be done.

Trevor is a very active leader and he and his team are to be congratulated for rejuvenating their Society.

Well done from everyone in Old Cornwall.
