The Band (CYBB) was founded in 1955: it held its first residential course four years later and is still going strong. With members drawn from bands across Cornwall, applicants have the opportunity of joining our courses and playing under some of the top names in the Brass Band World. For this year's Christmas course we are pleased to welcome international conductor, soloist and tutor, Russell Gray, who led the famous Foden's Band to success at the 2018 National Championships of Great Britain.

## Act now to secure your place in the band

Even if you think you are not ready to take an audition you can still register an interest for the future. Simply use the "[I'm interested form](#)" on the website and send it to Robert Kitchen. We will let you know about our Open Days – when you can hear the band rehearsing, meet tutors and see what a course is like – as well as putting you on our mailing list for Newsletters and reminding you about future auditions.
